## RANCH

## WALLACE HILL TOP RANCH – 147 Acres

This is a great opportunity to have your own private Cyprus-lined creek. Wallace Creek passes through the entire 147 acres allowing great water access. Deep soils and rolling hills add to this property's appeal. The ranch is completed with a lush Coastal Bermuda field along the banks of Wallace Creek. Access to the property is via Highway 16 as the ranch is located between Kerrville and Medina.
