TEXAS LAND MAN

KYOTE RANCH
106 ACRES • ATASCOSA COUNTY

Located just 49 minutes by car from the center of downtown San Antonio in between Devine and Jouranton. The ranch boasts over 3/4 of a mile of frontage along Tomblin road and its rectangular shape makes the ranch prime for future development. Ancient oaks and densely wooded thickets provide ample cover for whitetail and other game. Tracts of land located this close in to San Antonio are getting harder to come by. Call the duPerier Texas Landman to setup a showing of the property while it is still available.
