

# CHERRY SPRING RANCH

**CHERRY SPRING RANCH**  
152± ACRES • KERR COUNTY • HUNT, TX

Luxury Hill Country living with bountiful amenities, including incredible entertaining facilities and custom construction. An adobe style fireplace inside the barn, massive outdoor fireplace and grill, custom stone showers, impressive kitchen island with floating barstools and a two-sided fireplace are just a few of the many improvements. The 152± acres display a variety of features with distant hill top views, hikable valleys, a pond, several caves, great trees including cherry, and a spring. Wildlife includes red deer, fallow, whitetail, turkey, aoudad and the occasional barasingha. Come absorb all this ranch and homestead in the Hill Country has to offer.
