## BEEVILLE RANCH

400± ACRES • BEE COUNTY

This 400± acre Beeville Ranch is located 4 miles Northeast of Beeville on Ellis road off Highway 59. This ranch is close enough to town to run and get groceries, and far enough away from town to harvest your own groceries! The low fence surrounding the inside perimeter leaves room for cattle to graze without disrupting your hunting inside the high fence. Inside of the game fence can be fully utilized for hunting as there are sendaras cut throughout the ranch, leaving it ready for blinds and feeders to be customized to your liking. With javelina, whitetail deer, and dove, this property can be enjoyed by the everyday outdoorsmen to make memories that'll last a lifetime!
