OAK LEAF

OAK LEAF

411± ACRES • ELLIS COUNTY • RED OAK, TEXAS

This property is located 27 miles south of downtown Dallas, surrounded by multiple custom home developments. It has nearly two miles of road frontage along Stephen's Road, East Highland Road, and South Hampton Road. The property features improved pastures and tree-lined, rolling hills that meet along nearly one full mile of Red Oak Creek frontage. There is a natural spring on the property that once provided residents with a steady water supply in the early 1900s. Primed for development or years of recreational use with future growth opportunities. Please contact the duPerier Texas landman today to set up your private showing.
