## CRESSON HORSE RANCH 65 ACRES • PARKER COUNTY

Just 23 miles from Downtown Fort Worth along Highway 377 lies this unbelievable horse retreat. Over \$2.5mm was spend developing the 200' x 400' clay tile roofed riding arena. An equine swimming pool and solid concrete barn were built alongside the 2 homes at the property for a turnkey luxury equine ranch to be used within a short drive of the metroplex. Absolutely no expense was spared as the owner uses the property for 24 hour use at a minutes notice. Truly incredible to behold. Please contact the duPerier Texas Land Man to setup a tour.
