HILL COUNTRY ESTATE – 50 ACRES *Kendall County*

This Hill Country Estate is located just 15 minutes from downtown Boerne, Texas. 50 acres of beautifully maintained grounds covered in oak trees surround this estate. The main house consists of approximately 6500 square feet of air conditioned space with large covered porches allowing access to the pool and back yard. In addition, the property offers a 12 stall horse barn complete with cozy apartment. A large 200X300 ft. riding and roping arena is conveniently located near barn. The improvements on this property are second to none! The properties proximity to Boerne and San Antonio allow this property to serve as a weekend retreat or a commuters dream. The attention to detail in all improvements sets this property apart from the competition.
