This haven is only 24 miles from downtown Austin and highlighted by breathtaking hilltop views to private, serene Creekside vistas. This gem has been artfully carved into 20 to 30 acre parcels, each designed to be a nature inspired retreat. Points of interest include the largest, registered Madrone tree in the State of Texas, miles of Bee Creek, and miles of hiking and horse trails. Don't let this opportunity of both Austin access and nature enjoyment pass you by--only 30 sites available. Contact duPerier Texas Land Man for your private showing.
